

WSL Rule Modifications

Below are the rules for Championship Play. We encourage Tournament Directors to use the rules below in the WSL/Miken Championship Series Qualifiers if possible.

WSL Legal Pitch: 6 ft. from the ground to a 10 ft. Arc.

All Pitching Rules (presentation & delivery) are strictly ASA, (EXCEPT during 1.20 PLAY, Juking Faking & windmilling is allowed.)

Illegal Arc Pitch IS declared by the Umpire. Both Verbally & with Hand Signal.

ASA Strike Zone - No Strike Zone Mat.

Any ball striking Home Plate is a BALL. (Unless batter swings)

Batter starts with 1-1 Count.

Batter is allowed 1 extra foul ball with 2 strikes.

98 MPH rated bats allowed in all WSL Events.

1.20 BPF rated bats allowed in 1.20 events ONLY.

Official WSL Ball - Miken 44 Cor/375 Comp

No Base Stealing allowed

No Metal Spikes allowed

70 Ft Base Paths/53 Ft Pitching Rubber

EXCEPTION-(65ft base paths & 50ft pitching rubber allowed where 70/53 not available)

Batters Allowed in line up:

C Divisions & Above - Max 11 batters in batting order

D Divisions & Below - Max 12 batters in batting order

WOMENS Divisions—Max 12 batters in batting order

COED Divisions - Max 12 batters in batting order

TEAMS: Starting with only 9 Players in the batting order will NOT take an out at the bottom of the batting order.

TEAMS: May add a 10th player to the bottom of the line-up at any time during the game.

INJURED PLAYER: Legal Sub or 1 out for every time injured player comes up in batting order.

EJECTED PLAYER RULE: Legal Sub or FORFEIT!

MERCY RUN RULE: 20 Runs After 3 Innings, 15 Runs After 4 Innings, 12 Runs After 5 Innings

TIME LIMITS: NO TIME LIMITS IN CHAMPIONSHIP PLAY

EXCEPTION- (Time Limits may be imposed by Tournament Director for Local Play)
